USE OF PRIOR SEQUENCE SUBMISSION UNDER 37 CFR §1.821(e)

Sir:

The attached copy of the Sequence Submission is for the patent application submitted herewith. The computer readable form in this application is equivalent to with that filed in parent application U.S. Patent Application No. 09/963,347, filed September 25, 2001. In accordance with 37 CFR §1.821(e), please use the computer readable form submitted in that application on September 17, 2002, as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for computer readable form that will be used for the instant application.

The attached copy of the Sequence Listing was originally submitted to the patent office in the parent application, U.S. Patent Application No. 09/963,347, for incorporation into the specification, on September 17, 2002.

Respectfully submitted,

Date: 20-June-2003
